

## Team Building Activities FAQ

### **Q. How quickly can you turn around an event?**

A. Things come up at the last minute sometimes, don't worry! There are plenty of flexible options for groups who are in a pinch and need something fast. The sooner you reach out, the sooner we can get you set up.

### **Q. What size groups are your team building activities for?**

A. Any group size! From five people to 2,000+ people, there is an activity for you.

### **Q. How much does a team building activity cost?**

A. Pricing can vary depending on the type of activity you choose, the group size and the customization you request. For more details, you can download the pricing guide found on [outbackteambuilding.com](http://outbackteambuilding.com).

### **Q. How long do the team building activities last?**

A. Most team building activities last between two and three hours. You can also try an "Express" activity if you have less than an hour or ask for an activity to be customized to last longer.

### **Q. Can you help me choose a team building activity?**

A. Of course! Based on your group size, dynamics, goals and budget, we will work with you to find the perfect activity for your group.

### **Q. Can we add custom elements to a team building activity?**

A. You can add personal touches to your team building activity, including custom challenges, themes, or storylines. Just let us know what you're looking for, and we'll do our best to make it happen!

### **Q. How are smartphones used during your team building activities?**

A. Certain activities have challenges that can be completed using the Outback smartphone app. Teams will be able to use the app to take photos, videos, and enter text answers to earn points in the activity.
